### ACTIVITY REPORT SHEET

<b>Academic Year: 2022-23</b>	
<b>Name of Activity</b>	National Webinar on Awareness of Intellectual Property Rights
<b>Day &amp; Date</b>	Monday, 20/02/2023
<b>Mode</b>	Online
<b>Organized by</b>	IQAC & IIC of Shree Santkrupa College of Pharmacy, Ghogaon and Indian Patent & Trade Marks Office, Mumbai
<b>Objective</b>	To create Awareness of Intellectual Property Rights among Pharmacy Professionals
<b>Brief Description of Event</b>	Shree Santkrupa College of Pharmacy, Ghogaon in association with Indian Patent and Trademarks Office, Mumbai had successfully organized a National Webinar on Intellectual Property Rights (IPR) Awareness Program under the aegis of National Intellectual Property Awareness Mission (NIPAM), as an initiative of the Government's "Azadi Ka Amrit Mahotsav" on Saturday 20 <sup>th</sup> February 2023. Mr. Abhishek Khichar, speaker, threw light on Intellectual Property Rights, which is very essential in current global scenarios. During his talk, fundamentals of IP such as meaning, types, and protection of intellectual property were explained in detail. Mr. Abhishek also explained step by step procedure of filing a patent.
<b>Chief Coordinator</b>	Dr. J. S. Mulla
<b>No. of Participants</b>	177
<b>Outcome</b>	Students and faculty were learned the basic concept of IPR, Copyright.

### ACTIVITY REPORT SHEET

Academic Year: 2021-22	
<b>Name of Activity</b>	Two Days National Webinar on Preparing students for Practice school and Project work
<b>Day &amp; Date</b>	Friday & Saturday, 03/09/2021 & 04/09/2021
<b>Mode</b>	Online
<b>Organized by</b>	Shree Santkrupa College of Pharmacy, Ghogaon
<b>Objective</b>	To arrange a series of guidance lectures on "Practice School" and "Project Work".
<b>Brief Description of Event</b>	After meticulous planning, elaborate discussions and subsequent decision on arranging a series of guidance lectures on "Practice School" and "Project Work", were planned. Being the less well understood components of the new PCI syllabus, there was needed a better understanding of the above concepts among both teachers and students. With this in view, a fortnight ago we approached resource persons with specific topics and got their consent. The program was planned to include three talks each on the themes- Practice School and Project Work on consecutive days.
<b>Chief Coordinator</b>	Dr. A. V. Belvotagi and Mr. M. N. Urade
<b>No. of Participants</b>	350
<b>Outcome</b>	Students have understood the concept and practice of 'Practice School' and 'Project Work'.

## Two Days National Seminar on Preparing Students for Practice School and Project Work 3<sup>rd</sup> & 4<sup>th</sup> September, 2021

### **About College:**

Shree Santkrupa College of Pharmacy, Ghogaon, was established in 2004. The courses started with, B. Pharm (2004) followed by Diploma in Pharmacy (2006) and M. Pharm in Pharmaceutics (2011). The institution is affiliated to the Shivaji University, Kolhapur, Maharashtra. The D.Pharm, B.Pharm and M.Pharm courses run by the College are recognized by the Pharmacy Council of India, New Delhi, All India Council for Technical Education (AICTE), New Delhi, and Directorate of Technical Education (DTE), Maharashtra. The college is having Ph.D. Research Centre recognized by Shivaji University, Kolhapur.

### **About the Program:**

**Preamble:** Pharmacy Course Regulations-2014 includes "Practice School" and "Project Work" as a means of introducing students to "Research and Innovation". The first batch of B.Pharm students has just come out in recent past. It is a general feeling in the academic circles that the concepts of "Practice school" and "Project work" need greater understanding by the mentor and mentee alike. To raise the level of understanding among the stake holders, the efforts made, both in number and magnitude are less. There is a need to make up the deficit. To fill the void, the think-tank of the college and the highly supportive management are making an effort in this direction through the webinar.

NEP-2020 includes "Research and Innovations" as essential key components of Higher Education besides "Knowledge". Enhancement of: skills; critical thinking; decision making- are possible through proper understanding and implementation of "Practice School" and "Project Work" activities. So, to prepare our students, especially those in Final B.Pharm and First M.Pharm including Fresh Teachers to be "future-ready", this event was conceived. Hope you would find it relevant and useful.

**Plan:** An elite bunch of resource persons drawn from reputed pharmacy institutions across India are sharing their knowledge and experience. The webinar begins with the guidance of stalwarts on the concept of Practice School and the bottlenecks and would provide tips and tricks for proper implementation of the concept. On the second day, an opportunity to be enlightened on critical components of "Project Work" viz., selection of title and topics, reporting of observations - written and oral is made available.

**Patrons:** Final B.Pharm and First M.Pharm students and faculty members.

**Registration:** Please register with this link for enrollment: (before 31<sup>st</sup> August).  
<https://forms.gle/STdBBsccSLEWVYKWRA>

**Platform:** Zoom Platform - Link will be provided later.

You can Scan  
QR Code for  
Registration

### PROGRAM

## **Five Days Workshop on Demonstration and Hands-on Training Program of Pharmaceutical Equipments**

**13<sup>th</sup> to 17<sup>th</sup> December 2021**

### **About College:**

Shree Santkrupa College of Pharmacy, Ghogaon, was established in 2004. The courses started with, B. Pharm (2004) followed by Diploma in Pharmacy (2006) and M. Pharm in Pharmaceutics (2011). The institution is affiliated to the Shivaji University, Kolhapur, Maharashtra. The D.Pharm, B.Pharm and M.Pharm courses run by the College are recognized by the Pharmacy Council of India, New Delhi, All India Council for Technical Education (AICTE), New Delhi, and Directorate of Technical Education (DTE), Maharashtra. The college is having Ph.D. Research Centre recognized by Shivaji University, Kolhapur.

### **About Program:**

Hands-on training is the acquisition of knowledge, skills and competencies needed in the workplace. Hands on training (also referred to as experiential learning) is learning by doing. This type of training is effective for teaching software applications, procedures and equipment, and also helps instructors immediately determine whether a student has adequately learned a new skill or process.

The program is divided into two parts. In first part, the principle and theoretical aspects along with construction, working and applications of the equipments were explained by expert teachers. The second part includes the demonstration and hands-on training of the equipments.

### **Objectives:**

- To provide hands-on training to students on pharmaceutical equipments and machineries.
- Initiation to bridge the experimental gap occurred during Covid-19 Pandemic.
- To encourage students to handle equipments confidently and appropriately.
- To inculcate competencies needed at the workplace.
- Overall skill development of students.

Respected Ma'am/Sir,

Greetings from Rubicon!

It is my pleasure to introduce Rubicon; Rubicon was incepted with a dream of a world where every youth has the power to transform lives for themselves and others around them. We strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. We build competencies, which would help youth seek careers and prosper in their career of choice. We bring excitement into learning by developing and harnessing their curiosity and intrinsic motivation for learning.

Rubicon's "LifeSkills" Program, supported by Barclays aims at improving the employability skills of the youth. This initiative is supported by Barclays. Under this program, students will be trained by Corporate Trainers to enhance their Life skills which would help them significantly to increase their chance of succeeding in a job interview. This program is being launched with limited no of colleges in India.

We are looking forward to partner with your institute and plan to run the below initiatives:

Dear Mam

Thanks for your mail

Its our pleasure to organize this activity Rubicons Life Skill Program

Which is really useful to our students. We look forward to conducting the same in the First week of September for Final

year students as at present their end semester examination is scheduled which will end by the last week of August .

So accordingly we can plan it in Month of September

Thanks and Regards

Atul Kadam

### ABOUT COLLEGE

---

Shree Santkrupa College of Pharmacy, Ghogaon, was established in 2004. The courses started with, B. Pharm (2004) followed by Diploma in Pharmacy (2006) and M. Pharm in Pharmaceutics (2011). The institution is affiliated to the Shivaji University, Kolhapur, Maharashtra. The D.Pharm, B.Pharm and M.Pharm courses run by the College are recognized by the Pharmacy Council of India, New Delhi, All India Council for Technical Education (AICTE), New Delhi, and Directorate of Technical Education (DTE), Maharashtra. The college is having Ph.D. Research Centre recognized by Shivaji University, Kolhapur.

---

### ABOUT CONFERENCE

---

Pharmaceutical industries and academia have different approaches and goals. Pharmaceutical curriculum is mainly oriented towards the conventional needs of an industry which in turn creates a gap between industry and academia. Graduates from pharmacy programs lack adequate skills to meet all industrial needs. In addition to theoretical learning, they should have more exposure to practical experience. In today's world there is a requisite to enhance professional standards of graduates to set their wheels in motion.

This is achievable only through collaboration of industry and academia. Interaction between Academia and industry should be considered as a part of the education and industries should come forward and align the course contents with their needs. With taking proper measures we can ensure to meet industrial expectations without compromising academic goals.

With the above overview and in order to improve the situation, Shree Santkrupa College of Pharmacy, Ghogaon, is organizing a **Two Days National Conference on Pharma Tech Conclave: Industry Insights**, an initiative for bridging the gap between academia and industry. The outcome of which will be professionally competent graduates.

About College:

Shree Santkrupa College of Pharmacy, Ghogaon, is located on the Karad- Ratnagiri highway at a distance of about 22 km from Karad.

Shree Santkrupa College of Pharmacy, Ghogaon, was established in 2004 with the start of B. Pharm course (2004); D. Pharm (2006); followed by M. Pharm (2011). The college is recognized by Shivaji University, Kolhapur as a Ph.D. Research Centre too. The institution is affiliated to Shivaji University, Kolhapur. The UG and PG courses are recognized by: Pharmacy Council of India; All India Council for Technical Education (AICTE) and Directorate of Technical Education (DTE), Maharashtra.

Biotechnology and Biopharmaceuticals: A Primer

In 1972, with the combination of DNAs of two organisms biotechnology began. This spurred interest in the field and intense research by Genetech lead to the release of Insulin to the market in 1982. The global biologics market is growing rapidly and is expected to grow at a rate of 10.5% in 2018-23. Novartis and Bristol-Mayers-Squibb have already invested around 700 and 900 million dollars respectively in their manufacturing.

The rise in the prevalence of chronic diseases, loss of patent exclusivity, growing demand and higher acceptability for innovative therapies are driving the growth. Popularity of biologics has especially increased for chronic diseases like RA, Crohn's disease, Psoriasis and other auto-immune disorders and touched sales target of 18.5 billion dollars in 2016. Six of the top eight drugs were biological in that year. Biocan is projected to earn \$ 377 million in US and European markets in 2021-22. Other fields like oncology, rare diseases, infectious diseases, cell therapy, gene therapy also offer huge opportunities.

The Indian biotech industry holds about 3 % share of the global biotech industry and is among the top 12 global biotech destinations. The Indian biotech industry, comprising of about 800 companies, was valued at US \$ 51 billion in 2018. It is expected to grow at 14.5% in future. Recognizing the opportunity, Indian government is encouraging the growth of the industry through huge grants for research and start ups. It is up to us to utilize the opportunity and get benefited. Here is an opportunity, come and explore more.

Schedule of Events

Day & Date	Time	Session
TUESDAY, 11 / 02 / 2020	9.30 - 10.00 am	Registration and Refreshments
	10.00 - 10.30 am	Inauguration
	10.30 - 11.45 am	Current Trends in Biotechnology and Life Science Industry Mr. Ganesh Balgar
	11.45 - 1.00 pm	Stem Cell Therapy, Cancer Biology Dr. Arindam Chakraborty
	1.00 - 2.00 pm	Lunch Break
	2.00 - 3.30 pm	One Time Solution (Demonstration) Mr. Ganesh Balgar & Mr. Swapnil Kashid
	3.30 - 4.30 pm	Career Opportunities in Biopharm and Biotech Sector Mr. Swapnil Kashid
WEDNESDAY, 12 / 02 / 2020	10.00 - 10.30 am	Refreshments
	10.30 - 11.45 am	Tour de' Genetic Engineering Dr. Chitrarekha Kulkarni
	11.45 - 1.00 pm	Principle of EVOS Imaging Systems & ATTUNE Flow Cytometer Mr. Nainet Borde
	1.00 - 2.00 pm	Lunch Break
	2.00 - 4.00 pm	Poster Presentation
	4.00 - 4.30 pm	Valedictory Function

Speakers:

1. Mr. Ganesh Balgar
2. Dr. Arindam Chakraborty
3. Mr. Swapnil Kashid

Shree Santkrupa College of Pharmacy, Ghogaon

**Shree Santkrupa College of Pharmacy, Ghogaon**

Organizes

Two Days' National Webinar on  
**Drug Development: From Bench to Bedside**  
20<sup>th</sup> & 21<sup>st</sup> June, 2020

**About College:**

Shree Santkrupa College of Pharmacy, Ghogaon, was established in 2004. The courses started with, B. Pharm (2004) followed by Diploma in Pharmacy (2006) and M. Pharm in Pharmaceutics (2011). The institution is affiliated to the Shivaji University, Kolhapur, Maharashtra. The D.Pharm, B.Pharm and M.Pharm courses run by the College are recognized by the Pharmacy Council of India, New Delhi, All India Council for Technical Education (AICTE), New Delhi, and Directorate of Technical Education (DTE), Maharashtra. The college is having Ph.D. Research Centre recognized by Shivaji University, Kolhapur.

**About National Webinar:**

We are familiar with the events that take place in a lab during initial stages of drug development, viz., synthesis and biological evaluation of a new chemical entity. If promising, the next levels of activities spring up. This webinar focuses just on those aspects. They include: evaluation of drug formulation for its desired properties; filing for intellectual property rights; making an application for conducting clinical trials; generation and submission of safety and efficacy data for market release; addressing and managing scale up issues and release of the drug to market.

Experts from reputed institutions like MIET (Meerut), Amity University (Noida), Mankind Research Centre (Gurgaon) and Virchow Biotech (Hyderabad) will be discussing issues related to: development and evaluation of chemical / herbal formulations for ocular and nasal / oral drug delivery; submission of ANDA with USA and Indian regulatory bodies; addressing and managing industrial scale-up issues and methodology for patent filing.

**Who can participate?**

Students and faculty members

**Last date of Registration**

19<sup>th</sup> June 2020 (Before 5:00 pm)

### E-Certificate

E-Certificate will be provided to all the participants who shall attend all the sessions and complete the feedback form (Feedback link will provided during/after valedictory function).

### NO REGISTRATION FEES

Follow the link for registration: <https://forms.gle/rwveQcTwJodXQ7XW9>

You can also scan QR code for registration.

Zoom link will be sent to registered participants via email/WhatsApp Group of SSCOP National Webinar.
