Name of Activity	Industrial Visit
Date	11 th March 2023
Organized by	Industry Institute Interaction Cell of Shree Santkrupa College of Pharmacy, Ghogaon
Objective	To demonstrate the career prospects available in the industry.
Brief Description of Event	Shree santkrupa college of Pharmacy, Ghogaon Organized one day Industrial visit to S. G. Phyto Pharma Pvt. Ltd. The students were introduced to the tablet manufacturing and packaging processes, including wet granulation, dry granulation, and direct compression. Wet granulation involves a size enlargement process and an adhesive substance, while dry granulation compacts powder mixtures into large pieces and breaks them down into granules. Direct compression compresses powdered materials into tablets without modifying their physical properties. Factors influencing the choice of tablet manufacturing process include the compression properties of the active pharmaceutical ingredients, the physical and chemical stability of the API, the particle size of the formulation ingredients, and the availability of required processing equipment.
Chief Coordinator	Dr. J. S. Mulla, Mr. Erram N S
No. of Participants	24
Outcome	The students get to know the functioning of the industry, how the machine parts work, what principles they follow, how much time it will take to complete the process, how the workers manage the work properly.

Sub: Permission To Visit Your Pharmaceutical Industry.... Reg

Dear Sir,

We are pleased to inform you that, Shree Santkrupa College of Pharmacy, Ghogaon has been started in 2004 with the view of fulfilling the needs of the rising pharmacy profession by contributing professionally competent & technically skilled pharmacy graduates.

The D.Pharm, B.Pharm and M.Pharm courses run by the College are recognized and approved by Pharmacy Council of India (PCI), New Delhi, All India Council for Technical Education (AICTE), New Delhi, Directorate of Technical Education (DTE), Maharashtra State, Mumbai, State Government of Maharashtra and affiliated to Shivaji University, Kolhapur (M.S.).

As a part of curriculum, students studying in Final B.Pharm are required to visit several pharmaceutical manufacturing units as supplement to their academic training and they are required to submit the report to the Head of the Institution where he/she is studying.

In this context, our Final years B.Pharm students intend to visit your esteemed industry. We will be grateful to you, if you permit us to visit your industry. We are confident that your good self will permit us and helps in widening the knowledge.

Hoping your early favorable reply.

Thanking you

Activity Title	Teacher Training Program in Medicinal Chemistry
Day & Date	Saturday , 6 th September 2019
Organized by	Shree Santkrupa College of Pharmacy, Ghogaon.
Collaboration	Shivaji University Kolhapur
Objective	To utilize the education taken by conducting the activity.
Brief Description of Activity	The session was an enlightening one with lot of examples from the recent literature. Prof. Bhatia began his talk on "Learning Medicinal Chemistry-III Challenges and Concerns" with an introduction on the logic behind the present sequencing of Medicinal Chemistry courses by PCI in the revised new syllabus. Prof. Bhatia guided the delegates as to how to simplify the task of teaching Medicinal Chemistry in general and Medicinal Chemistry-III in particular. His guidance appears to have brought a relief to the delegate teachers in dealing with a seemingly voluminous syllabus of Medicinal Chemistry-III in an amicable manner. He used examples from each unit to demonstrate his points. Prof. Bhatia provided some tips to teacher delegates to involve students in the process of learning by arranging discussion on some topics or group based activities.

Subject: Appreciation for the Institute Visit

Dear Sir,

I would like to express our sincere gratitude for the opportunity to Mistair Health and Hygiene Pvt. Ltd Kolhapur on 15 March 2019. The industrial visit was both insightful and inspiring. Our team was thoroughly impressed by the state-of-the-art facilities and the efficiency of your operations. The detailed explanation provided by your knowledgeable staff enhanced our understanding of the industry and its processes.

The hospitality extended to us during our visit made the experience even more enjoyable. We appreciate the time and effort your team invested in making the visit informative and engaging. Once again thank you for hosting us. We look forward to potential collaboration and continued dialogue between our organizations.

Best regards.
