**ACTIVITY REPORT SHEET**

Academic Year:2018-19	
Name of Activity	Sports
Day & Date	26 th to 31 st December 2018
Mode	Offline
Organized by	Shree Santkrupa College of Pharmacy, Ghogaon
Brief Description of Activity	<p>Dr. V. R. Aralelimath, Principal, Shree Santkrupa College of Pharmacy, Ghogaon felicitated Mr. Patil S. D. sir. (Guest for the sport week)</p> <p>Mr. Patil S.D. sir given the information about sport. In his lecture Sport has the capacity to transform the lives of individuals. It bolsters physical, Psychological, emotional, and social well-being and development. At the same time sport plays a significant role in cultures and communities around the world. These factors alone justify investment in sports programming. But there is also a growing understanding that sports programs merit support because they are powerful vehicles for achieving broader goals, particularly in advancing development and peace agendas. Recently, though, an international movement has taken root that recognizes that sport does not have to compete with other development priorities but can instead be a powerful means for addressing them.</p>
