## Institutional Strategic/Perspective Plan

(2018-19 to 2022-23)

### Vision

To become premier institution in the field of Pharmacy catering to rural educational needs.

### Mission

4. To adopt best teaching and learning practices to integrate pharmacy knowledge and skills.
5. To develop competent pharmacists catering to the needs of Industry, Academia, Research and Society.
6. To inculcate professional ethics in practice of pharmacy.

While preparing the present perspective plan, Shree Santkrupa College of Pharmacy, Ghogaon has consider following points:

1. Vision, Mission of the institute
2. Quality policy of the college
3. Suggestions from the stakeholders
4. Expectation of society from the college
5. SWOT analysis of the college

Following are key elements of the e Institutional perspective plan for the next five years:

#### 1. Curricular Aspects:

- To propose application to Pharmacy Council of India to introduce new D. Pharmacy and M. Pharmacy (Pharmacology) program.

- To enhance the employability of students, vocational training, skill development, and add-on courses are being introduced to bridge the gap between industrial needs and the prescribed curriculum.
- To implement a well-organized feedback system on the curriculum to gather input from the stakeholders.

## **2. Teaching, Learning and Evaluation:**

- To encourages faculty members to enhance their professional knowledge and skills through seminars and workshops.
- To encourage and help faculty members to improve qualifications.
- To improve an instructional methodology that highlights the importance of catering to the requirements and inclinations of learners, ensuring a student-centred educational experience

## **3. Research, Innovations and Extension:**

- To apply and obtain research grant from university as well as different funding agencies to enhance the research infrastructure within the college and encourage faculty members to actively engage in research.
- To motivate faculties for attending national and international conferences.
- To organize seminars/Workshops/ Conferences/Training programs for overall development in the knowledge and skills of students as well as faculties
- To sign MOU's with different industries and institutions to strengthen our partnerships for research, student knowledge, student trainings.

## **4. Infrastructure and Learning resources:**

- To develop infrastructure and amenities that align with regulatory standards and boost a comprehensive environment for teaching and learning.
- To plan strategically for enhancement of ICT resources for improving teaching and learning within the institute.

## **5. Student Support and Progression:**

- To organize various co-curricular and extracurricular activities
- To organize different Health awareness camp and social activities through NSS.
- To organize regular study tours, industrial visits, field visits.
- To organize communication skill, soft skill programs periodically for the student to develop their interpersonal skills.

- To arrange alumni meet for increasing alumni engagement and their participation for development of college.

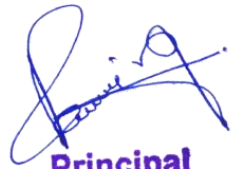

#### **6. Governance Leadership and Management:**

- To introduce appraisal system and grade performance system to encourage academic promotion.
- To introduce ERP for enhancing e-Governance in the area of academic and administration.

#### **7. Innovations and Best Practices:**

- To take Initiative for green campus and conducting Green Energy and Environmental audit.
- The reduction of electricity consumption can be achieved through the installation of LED lights, along with other energy-efficient equipment such as air conditioners, refrigerators, and solar water heaters. Additionally, the incorporation of more solar panels can further contribute to energy conservation.
- To provide services towards better health.
