

Shree Santkrupa College of Pharmacy, Ghogaon

Criterion 7

Institutional Values and Best Practices

7.2

Best Practices

7.2.1

Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

BEST PRACTICE-2

Title of the Practice:

Empowering the students by Enhancing Employability Skills

Objectives of the Practice:

- To encourage the students to enhance technical knowledge and employability skills for carrier development.
- To increase the level of competency among the students.
- To prepare the students to face job interviews.
- To adequately prepare students for the placement and selection process.
- To guide the students to meet the Industrial recruitment process.
- To enhance the proficiency of students in effective communication skills.
- To enable the students to cultivate robust internal values and self-confidence.
- To motivating the students for higher studies and providing guidance for their participation in professional competitive examinations like GPAT, NIPER- JEE, GAT-B etc.

The Context:

The advent of the new digital era has compelled us to move towards Outcome Based Education (OBE). The primary goal of the New Education Policy is to transform India into a knowledge superpower by providing the students with the essential skills and knowledge. The students are expected to have skills and knowledge that align with the demands of the challenging job market. As the demands of industries keep on changing it is a prerequisite for us to enhance students' employability skills which can be achieved through guidance and carrier counselling.

The Practice:

The Institution's Training and Placement department offers employability skills and relevant knowledge to the students. Career guidance and counselling sessions are organized to develop employability skills among the students. The institute encourages the students to fulfil requirements of the recruiting companies. In order to achieve our goals, we organize guidance sessions for GPAT, career guidance and counselling sessions, capacity development and skills enhancement activities.

Evidence of Success:

- Students are well trained to meet the needs of demands of the challenging job market.
- As a result of various initiatives taken by the institute to enhance students employability skills, improvement is observed in terms of placement percentage, GPAT success rate and progression of students toward higher education.
- Students get placed in renowned companies with good packages
- Students from poor academic background were benefited as a result of initiatives from the institute.

Problems Encountered and Resources Required:

- Students from rural areas are struggling for the confidence and competency.
- Due to the students' busy schedules, there is a shortage of time available to carry out these programs.
- Financial resources are required to organise such activities

7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the manual

Best practices as hosted on the Institutional website

Academic Year: 2022-23	
Name of Activity	Webinar on Preparation for GPAT
Day & Date	Thursday, 02/02/2023
Mode	Online
Organized by	Shree Santkrupa college of pharmacy, Ghogaon
Speaker	Mr. Vijaykumar Chakote
Brief Description of Activity	A Guidance Webinar on GPAT Preparation was organized for the benefit of Third and Final B Pharm students of our college. In order to guide students properly and also to inspire them enough to crack the exam, we invited Mr. Vijaykumar Chakote Professional GPAT Teacher, Director of Pharm star Academy for the purpose. The program started exactly at 10.55 a.m. with the welcome note by Assistant Prof. Mrs.G.S. Jagtap. Mr. Vijaykumar Chakote guided students as to how to sort out subjects on priority and how much focus and time to be given for each of the subject. Students were enthusiastic enough to ask many questions to the speaker. Students expressed that it was a short but sweet and stimulating guidance.

Organizes

**Two Days' National Webinar on
Drug Development: From Bench to Bedside
20th & 21st June, 2020**

About College:

Shree Santkrupa College of Pharmacy, Ghogaon, was established in 2004. The courses started with, B. Pharm (2004) followed by Diploma in Pharmacy (2006) and M. Pharm in Pharmaceutics (2011). The institution is affiliated to the Shivaji University, Kolhapur, Maharashtra. The D.Pharm, B.Pharm and M.Pharm courses run by the College are recognized by the Pharmacy Council of India, New Delhi, All India Council for Technical Education (AICTE), New Delhi, and Directorate of Technical Education (DTE), Maharashtra. The college is having Ph.D. Research Centre recognized by Shivaji University, Kolhapur.

About National Webinar:

We are familiar with the events that take place in a lab during initial stages of drug development, viz., synthesis and biological evaluation of a new chemical entity. If promising, the next levels of activities spring up. This webinar focuses just on those aspects. They include: evaluation of drug formulation for its desired properties; filing for intellectual property rights; making an application for conducting clinical trials; generation and submission of safety and efficacy data for market release; addressing and managing scale up issues and release of the drug to market.

Experts from reputed institutions like MIET (Meerut), Amity University (Noida), Mankind Research Centre (Gurgaon) and Virchow Biotech (Hyderabad) will be discussing issues related to: development and evaluation of chemical / herbal formulations for ocular and nasal / oral drug delivery; submission of ANDA with USA and Indian regulatory bodies; addressing and managing industrial scale-up issues and methodology for patent filing.

Who can participate?

Students and faculty members

Last date of Registration

19th June 2020 (Before 5:00 pm)
